Archived Materials

(314) Brush Management – May 2011
(666) Forest Stand Improvement – April 2011
(666) Forest Stand Improvement – Grapevine Removal Job sheet – May 2011

Effective Date: Upon Receipt

Grapevine Removal has been removed from the Forest Stand Improvement (666) standard. The practice has been renamed to Grapevine Control and added to the Brush Management (314) standard. The job sheet entitled *Forest Stand Improvement (666) Grapevine Removal* has been disassociated from the conservation practice Forest Stand Improvement (666). It has been renamed *Brush Management (314) – Grapevine Control*. Grapevine Control should now be implemented under the conservation practice standard (314) Brush Management.

All of the updated material is located within the FOTG, at: <http://www.nrcs.usda.gov/technical/efotg/> under Section IV. The updated and revised conservation practices are located under the heading "C. Conservation Practices". Archived material is available for reference in Section IV under the subsection entitled "F. Archived Conservation Practice Standards and Materials".

If you have any questions or concerns please contact Patrick Bowen, State Resource Conservationist at (304) 284-7579.
